The Honorable Millard Caldwell

Washington 25, D. C.

Dear Governor Caldwell:

Upon receipt of your letter of some weeks ago, I submitted the planning assumptions for the Civil Defense Administration to our Office of National Estimates.

That Office, in conjunction with other divisions of this agency, has gone over these assumptions with considerable care and has made a number of comments upon them.

I am enclosing these comments herewith in the hope that they may be of some value to you in your planning operations.

Sincerely,

SIGNED
